EDUCATION

Bachelor of Science in Computer Science, University of Wisconsin - Platteville, Platteville, WI **Graduation Dec. 2015**

Emphasis: Computer Technology

Overall GPA: 3.74/4.0

Dean's List (seven semesters)

Chancellor's List (one semester)

Cedar Grove - Belgium High School, Cedar Grove, WI

May 2012

GPA: 3.61/4.2

Honor Roll (all 4 years)

WORK EXPERIENCE

Software Developer Intern, Quad/Graphics

May 2014 – Present

Full-time summer internship, Part-time during the school year - 10 hr/wk. Developed and maintained production-level software applications. Created automated reports needed to facilitate business operations. Modified existing software to work properly with the company's expanding services in retail printing. Created a user-friendly interface for a web app in an effort to reduce support calls.

CNC Machinist, Sharon-Cutwell Co., Inc.

June 2013 – January 2014

Full-time during summer and winter breaks. Worked with CNC Machines to grind and sharpen high performance drills. Read blueprints to produce quality drills. Accurately measured parts for tolerances.

Church Choir Guitarist, St. Mary Parish

April 2011 – September 2012

Started a youth choir at St. Mary Parish. Led the choir and played guitar at weekly services.

INVOLVEMENT/INTERESTS

Chief Web Officer, Pioneer Investment Club

February 2013 – Present

The club, which is led by students, manages a \$500,000 stock fund. After seeing a need for an online presence, I created a website for the club. This soon turned into a new officer position. I am responsible for web and graphic design, updating online financial documents, and writing weekly articles. <http://pioneerclub.weebly.com>

Loose Change Web Application

This is a web app I'm currently developing. It will keep track of income and expenses. Front-end is using HTML, JavaScript, and CSS. Data storage is using Google Drive API. <https://github.com/gojoe262/LooseChange>

Open Mic Nights

I love playing guitar and singing with my friends at open mic nights.

COMPUTER SKILLS

Software

Visual Studio 2008-2013

.Net

SSRS Reports

WCF Services

Resharper

Unit Testing

Branch/Merging in Subversion

Sybase Database

IBatis

Git

Atom Editor
